

Ascent Funding Rates and Repayment Examples For Kenzie Academy Programs

Rates, Programs, Repayment Options, are Effective as of 3/29/2021.

The following examples illustrate the loan repayment scenarios for students at the high and low end of the Ascent Funding approved credit range. Loan amounts listed here are the max amount of tuition for each Kenzie Academy program. The tables below display repayment terms including:

(i) the Tuition Amount, (ii) the Interest Rate, (iii) the Annual Percentage Rate (APR), (iv) estimated monthly payments, and (v) total cost during the life of the private loan.

All Ascent Funding interest rates are fixed for the life of your loan. Your actual interest rate may be different than what is shown in the examples below and will be based on your credit history, selected repayment option, and other factors. The difference between Interest Rate and APR is due to the origination fee and variance in program length. Your payment amounts and total cost may also vary depending upon the length of the program in which you are enrolled and the length of your Grace Period. An Automatic Payment Discount of 0.25% is available when you enroll in automatic payments from your personal checking account and the amount is successfully withdrawn from the authorized bank account each month.

Kenzie Academy Repayment Types:

Deferred Repayment - Make no payments while in school and for three months after, then make 36 or 60 full (principal + interest) payments.

Immediate Repayment - Make 36 or 60 full (principal + interest) payments beginning about one month after your program starts.

Interest-Only Repayment - Make interest-only payments while in school and for three months after, then make 36 or 60 full (principal + interest) payments.

Outcomes Loan Repayment - Make no payments until you receive an offer for a qualifying position making at least \$40,000 annually or \$3,333/month pre-tax for 3 months or more. Once you receive an offer for a qualifying position, you'll make 36 or 60 full (interest + principal) payments. If you do not receive a qualifying offer within six months of completing your program and you meet the requirements of the [Kenzie Guarantee](#), your loan will be canceled and you will owe nothing.
