Overview As an ELMSelect school member you can view and add lender products / programs to your profile.

Lender Name **Ascent Student Loans - 777775**

- Instructions**
- From the **ELMOne Dashboard** (www.elmone.com), click the **ELMSelect tab**.
 - From the **ELMSelect Dashboard** screen, click on the **Requests tab**.
 - The list defaults to all products with no filter. **Use the filter** on the left to choose the **Program Type**.
 - Filter further by **Lender** and search for **Ascent Student Loans**.
 - To the right of each product, **select the plus (+) sign to immediately request** the product be added.
+ Ascent Independent loans help your students that do not have cosigners.
+ Ascent Tuition loans help your students that have cosigners.
**If there are multiple branches associated to the school, the user will be asked to confirm whether or not they want the product to be added to the other branch campuses.*
 - A pop up screen will confirm the request has been submitted. Pending requests will appear under **Pending Requests** on the **ELMSelect Dashboard** with the status **School Requested**.
 - Once the request has been approved, ELMOne will update the status to **Approved** so you can easily activate Ascent Independent and Ascent Tuition loan products for your school.
